## DH-1694 Cougar Plate

- Step 1:** Basecoat plate (except cougar) with Leather Brown.
- Step 2:** "Smack-dab" plate with a mixture of Leather Brown and Mustard.
- Step 3:** Basecoat cougar Black.
- Step 4:** Wet-brush cougar with Real Brown. Repeat with Toast, then Mustard for highlights. Wet-brush markings with Cream.
- Step 5:** Wet-brush mouth with Christmas Red. Add a little Cream to same brush and highlight mouth.
- Step 6:** Paint teeth Bone. Paint nose Rose. Paint eyes Mustard. Shade eyes and teeth with a wash of Toast.
- Step 7:** Shade where Cream areas meet darker areas with a Toast wash. Shade cougar with a Black wash. Paint pupils Black. Line around eyes and bottom edges of teeth with Black.
- Step 8:** Spray with Matte Spray Sealer.

## DH-1695 Cheetah Plate

- Step 1:** Basecoat background of plate Leather Brown.
  - Step 2:** "Smack-dab" background with a mixture of Leather Brown & Black. Paint "veins" in background with Premier Gold. Paint a thin Black line next to Gold line to shade it.
  - Step 3:** Basecoat Cheetah Black.
  - Step 4:** Wet-brush Cheetah Real Brown. Wet-brush golden parts of Cheetah with Mustard; highlight with Flaxon Yellow. Wet-brush chest, neck, muzzle, ears, and above eyes with Cream. Blend where Mustard meets Cream with a wash of Mustard. Tint the fur slightly with a Toast wash. Shade muscles and creases in fur and around ears with a Black wash. Paint nose and spots on Cheetah with Black. Paint eyes Mustard; shade them with a wash of Terra Cotta. Paint pupil and outline eye with Black.
  - Step 5:** Spray with Matte Spray Sealer.
- Step 1:** Basecoat the plate (except Lion) with Mustard.
- Step 2:** "Smack-dab" the plate with a mixture of Mustard and Leather Brown.
- Step 3:** Basecoat the Lion with Black.
- Step 4:** Wet-brush the Lion with Real Brown, followed by Toast. Lightly wet-brush highlights on the fur with Mustard.

**Step 5:** Wet-brush the muzzle, around eyes and edges of some of the mane with Soft Brown. Add Cream to same brush and highlight these areas further.

**Step 6:** Paint the eye Mustard. Paint the nose Leather Brown. Shade around the eye and nose areas of the fur with Real Brown and very lightly, with a Leather Brown wash. Shade recessed areas of fur with a Black wash.

**Step 7:** Spray with Matte Spray Sealer.

## DH-1696 Lynx or Bob Cat

- Step 1:** Basecoat plate (except Lynx) Blue Suede.
- Step 2:** "Smack-dab" plate with mixture of Teal and Flaxon Yellow.
- Step 3:** Basecoat Lynx Black.
- Step 4:** Wet-brush Lynx with Real Brown. With color still in your brush, add Medium Brown and wet-brush Lynx again. Add a small amount of Cream to same brush and wet-brush highlights on the fur. Wet-brush the ruff around neck, muzzle, ears and around eyes with Cream. Shade the Cream gradually out from the darker color with washes of Medium Brown and Black. Shade the indentations in fur with a Black wash.
- Step 5:** Paint eyes Mustard. Tint them with a wash of Grass Green; shade around them with Black; paint pupils Black with White highlight. Paint nose Rose; shade around it with a Leather Brown wash. Paint tufts on ears with Black.
- Step 6:** Spray with Matte Spray Sealer.

## DH-1693 Tiger Plate

- Step 1:** Basecoat plate (except Tiger) with Dark Grey.
- Step 2:** "Smack-dab" the plate with a mixture of Regal Purple, Dark Grey and Light Grey.
- Step 3:** Basecoat Tiger Black.
- Step 4:** Wet-brush the dark parts of fur with Real Brown; with color still in your brush, add Terra Cotta and wet-brush fur again. Add Mustard to same brush and lightly highlight the fur. Wet-brush around eyes, muzzle, ears and neck fur with White. Shade where dark fur and White meet with a wash of Terra Cotta. Shade the deeper indentations in fur and around the eyes and upper nose with a thin Leather Brown wash. Paint the nose Rose; shade it with a Leather Brown wash. Shade the indentations in the fur with a Black wash.
- Step 5:** Paint the eyes Mustard; tint them with a Terra Cotta wash. Paint Black pupils. Paint jagged Black stripes in Tiger's fur.
- Step 6:** Spray with Matte Spray Sealer.

## DH-1697 Tiger

- Step 1:** Basecoat tiger with Flaxon Yellow. Basecoat rocks and foliage with Black.
- Step 2:** Drybrush Mustard on light areas of tiger. Drybrush Toast on shaded areas and down legs and face. Drybrush Real Brown on tiger's back and shade muscle tone. Drybrush Cream on Tiger's fur under tail, under body and inside legs. Shade Cream around tiger's mouth, eyes and fur on side of face. Highlight lighted areas with White. Take 1/2" shader brush, corner load with Black and paint stripes on tiger and shade around face. Paint eyes Country Blue. Paint nose Rose.
- Step 3:** Paint leaves with Grass Green, highlight with Mustard. Paint bottom of foliage True Orange and highlight with Mustard, tip of leaves with Flaxon Yellow. Paint bottom base with Sand. Shade base with Black.
- Step 4:** Spray with Matte Spray Sealer.

## DH-1697 Tiger (White)

**Step 1:** Basecoat tiger with Light Grey. Drybrush with Cream and go over Cream with White. Paint stripes with a 1/2" Square Shader Brush. Corner load brush with Black. Paint stripes on tiger. Shade around face with Dark Grey. Paint nose and paws with Rose. Paint eyes with Country Blue.

**Step 2:** Paint leaves with True Red and highlight with True Orange. Paint smaller leaves with Grass Green and highlight with Mustard. Paint log with Real Brown and highlight with Medium Brown. Old wood highlight with Cream. Paint base with Sand and shade foliage and base with Black.

**Step 3:** Spray with Matte Spray Sealer.
